

Aria Petite Grand

The Viscount Aria is truly a 'performance' model petite grand digital piano designed for the most sophisticated and discriminating piano performer. The piano is hand-crafted in Italy and the design and specifications meet the high standards of European piano crafting tradition. The Aria utilizes our most advanced Grand Touch Feeling™ Hammer action keyboard that includes escapement - a delicate movement that simulates the world's most prestigious concert level pianos. One of the main strengths of this instrument can be found in the new technological process that produces the sound. This exclusive technology - called "iMotion™" makes the Aria a truly expressive and unique instrument - producing all the subtle nuances and timbres of a concert grand acoustic piano. The elegant all wood cabinet, 19-ply wood rim and Acoustic-Chamber II™ Sound system complete the piano and help make this our most elegant and advanced petite grand piano. Aria - Affordable European Sound & Craftsmanship for the most advanced piano performer!
