

The all-new Princeton HG-80e features an elegant and unique design that tells your guests that yours is a truly musical home! You can choose from over 128 professional sounds and 50 entertaining rhythm styles. In addition, you can capture your own compositions with the built-in 8 track sequencer and 3.5" disk drive. Attach a microphone to the built-in mic jack (with volume control) and sing your own karaoke songs! Authentic piano performance includes a full hammer action keyboard and PCM piano technology. Of course, the HG-80e not only sounds great—but it looks great too! The innovative mini-grand design fits in most spaces and includes a lifting piano lid and sliding key cover. Available in ebony or red polish with matching piano bench. The Princeton HG-80e—a stunning addition to your home!
