

The Princeton SP-88 is a versatile and powerful musical instrument that helps you unlock your musical potential! Designed first and foremost as a performance instrument—the SP-88 includes a full-sized keyboard with authentic hammer action keys. You're in control with over 350 built in sounds (editable) and 130 realistic Rhythm styles. You can capture your own compositions on the five-track sequencer and there's a handy practice metronome. You can even store your settings and save and load music on the built-in SmartMedia Card reader! There are two headphone connections for private practice or teaching situations and the SP-88 comes with a smooth-action™ sustain pedal. Attach to the matching rosewood stand and bench, and the SP-88 is an elegant addition to your home décor! The Princeton SP-88—the perfect combination of portability and performance - at an economical price!
