

Discover the all-new Princeton HP-11 and unlock your creative potential! The HP-11 is a powerful piano that delivers professional performance at an economical price. The cabinet is elegantly styled in a handsome dark rosewood finish & the full hammer action and advanced piano technology produce performance that you would expect only in higher priced models. Choose from 10 professional sounds that can be combined and there is a handy two-track sequencer and easy-access practice metronome. There are convenient headphone connections for private practice or teaching situations and the HP-11 comes with two pedals and an attractive piano bench. Perfect for education or performance, the Princeton HP-11 helps you unleash your creativity - at an ultra-affordable price!
