

The Viscount Maestro combines the elegance of a petite grand piano with the benefits of an 'ensemble' digital piano. This allows you to use rhythms, over 500 different professional quality sounds, programmable effects, and a 3.5" disk drive for storage and playback. All of these features are packed in a beautiful all-wood hand polished petite grand cabinet with brass plated pedals, lifting piano lid and roll top key cover. The Viscount Maestro—hand-made in Italy, designed for your home!
