

## HP-1 Student Piano

The Princeton HP-1 is a simple and affordable piano that offers high quality piano sounds and performance at a budget price. The cabinet is elegantly styled in a simulated dark rosewood finish and the full hammer action and advanced PCM piano technology are components you would expect only in higher priced models. There are 12 built in sounds that can be combined or 'split' and there is a convenient built-in two-track sequencer and practice metronome. There are two headphone connections for private practice or teaching situations and the HP-1 comes with three pedals and a beautiful matching piano bench. Perfect for education or performance, the Princeton HP-1 is the perfect combination of elegance & technology - at an ultra-affordable price!
