

VP-91 'Virtual' Stage Piano

The Galileo VP-91 is the ideal stage piano for students and performers alike —featuring authentic piano performance in an extremely portable and easy-to-use design— at an economical price. The 'Virtual' Piano 91 starts with an award-winning full hammer key action. The sound is generated by exclusive iMotion™ piano technology—allowing you to create all the subtle nuances and emotion of a dynamic piano performance. There are 11 professional sounds including 'layers' and 'split'. There's a handy built-in metronome and 2 headphone jacks for private practice—as well as a built-in speaker system. In addition, the VP-91 has MIDI and audio connections to make expansion a breeze. The Galileo VP-91—a high-performance 'virtual' piano in a portable design —at an affordable price!
